## Ur Jaa

### Verse 1

Ashq chubhte hi honge aankhon mein  
Banke kaante kai  
Kisi maasoom chehre ki yaadein  
Hongi bheetar kahin  
Aandhiyon ki goonjon se lipti hi hogi  
kaheen ik meethi aawaaz  
Hasti muskuraati vo maasoom kali thi  
jis se tumne kahaa

### Chorus

Urr Jaa, pahaaron ke peeche  
Tu jaa, ambar ke neeche  
Tu jaa, khushiyon ke jaahaan mein  
Tu jaa, ur jaa, ur jaa

### Verse 2

Kaisi mushqil ghari hogi jismein  
bichhrey hum tum kahin  
Dil ke tukron pe pathhar sajaye  
larkharaaye kadam honge sahi  
Faasalon ki sochon se tarpe hi hoge  
kabhi jab aati ho yaad  
Us samay ke vo labzon ki jinse kahi thi  
tumne mujhse ye baat

### Middle 8

Zindagi ko jo maine saumpa  
tab aakhir mein ehshaas hua  
Bichhrey hi they kab bhalaa  
tumse kehna hai itna zaraa

### Outtro Chorus

Main yahaan, paharon ke peeche  
yahaan, ambar ke neeche  
yahaan, khushiyon ke jahaan mein  
yahaan hu yahaan, main yahaan

## **Sapno Se Pucho**

### **Verse 1**

Pal do pal ki, hai ye zindagaani  
Beetay lamahon ke jaise beetay jaaye  
Silsila ye kaisa, poocho to, jo roke bhi na ruk paaye

### **Chorus**

To, sapno se poocho kya hai haqeeqat,  
Poocho yaadon se kabhi, kya hai zuroorat  
Gham se poocho to kabhi, hoti hai kya ik khushi  
Rabb se poocho kya hai zindagi

### **Verse 2**

Hoti kya hai chaahat, kya mohobbat hai  
Ban jaate hain rishtey kaise sabhi  
Hai badaulat kiski, poocho to hoti hai kya zindagi

### **Bridge**

Vaqt ki dori se bandhi hai har ik saans  
Sanson ke sangam se, hota hai ehsaas  
Zindagi aakhir hai kya hai jeene ka raaz  
Kabhi poocho to zaraa

### **Middle 8**

Kal rahe ya na, kisko pataa  
Aane vaali ghari ki kya kisko khabar  
Vaqt paabandhiyon ka naheen mohtaaz  
Jaane kab toot jaye ye saanson ki dore

### **Outtro Chorus**

Bujhti aankhon se poocho kya hai ujala  
Larkharaate kadamon se poocho, kya hai sahaara  
Toote dil se to poocho, marham hoti hai kya cheez  
Mann se poocho kya hota hai meet
